THE STORY

Next Holiday Season, get ready for an action-packed, all-star, rainbow-colored family reunion like no other as Poppy & Branch return for the new chapter in DreamWorks Animation's blockbuster musical franchise – DreamWorks TROLLS BAND TOGETHER – featuring Trolls' signature psychedelic joy-bomb of new and classic pop hits starring a dynamic cast of actors and some of the most acclaimed musical artists in the world.

DreamWorks Animation's Trolls films – 2016 Trolls & 2020's Trolls World Tour – have sung and danced their way to record-breaking success, earning an Oscar® nomination for Best Original Song, and fueling one of the largest and most beloved entertainment brands in the world.

After two films of True Friendship & relentless flirting, Poppy & Branch are now officially, finally a couple! Branch has a secret past! He was once part of Poppy's favorite boyband phenomenon BROZONE with his four brothers. BroZone disbanded (literally) when Branch was still a baby, as did the family, and Branch hasn't seen his brothers since.

Branch's brother, Floyd, is kidnapped for his musical talents by a pair of nefarious pop-star villains Velvet & Veneer. Branch and Poppy embark on a harrowing and emotional journey to reunite the other bros & rescue Floyd from a fate even worse than pop-culture obscurity.

BRANCH

Branch often wonders if he's the only sane individual in a town full of exuberantly happy Trolls. Reclusive and always prepared for danger, Branch must learn to embrace his inner Troll if he's ever going to let his true colors shine.

A-MAZE-ZING

Can you help Branch and Poppy find their way through the maze?

ANSWER

JOHN DORY

Branch's oldest brother, John Dory was the self-appointed leader of the group back in the brothers' boyband days. Since the family tree split, John Dory has been off the grid – living life on the road in his armadillo van, Rhonda. In a lot of ways, John Dory is similar to Branch at the beginning of the first Trolls movie – he's a survivalist who has been living in isolation, wary of emotional connection. He's an expert on living off the land, but isn't exactly great with reading social cues. John Dory is almost more Branchy than Branch – his personality answers the question, "what would Branch have been like if he had never met Poppy?"
